With the publication of this catalog all previous editions become obsolete. This catalog is a guideline of expectations for the school's student population. Academy of Cosmetology reserves the right to modify its policies based on accreditation requirements, state or federal laws, Texas Department of Licensing and Regulations, or at its discretion.

All courses are taught in English as approved by the Texas Department of Licensing and regulations. All documents and learning will be in English. Students must be able to understand English. A licensed school shall evaluate each English as a second language (ESL) student to determine whether such student is likely to succeed in the intended course of study. Upon such determination being made, the school may enroll the ESL student. At no time shall instruction conducted in a foreign language take place contemporaneously with instruction conducted in English within the same classroom.

To ensure a regulatory compliant productive learning facility for all students, English is required to be spoken in the classrooms and in the student clinic where students have access to the general public. Students are welcome to communicate in their language of preference during breaks in the student lounge or outdoors areas.

Practicing courtesy and professionalism in online environments is strongly encouraged and disciplinary action may be enforced for non-compliance.

SATISFACTORY ACADEMIC PROGRESS POLICY

The school's Satisfactory Academic Progress policy applies to every student enrolled in a Naccas-approved program. The policy complies with the guidelines established by NACCAS. This policy also meets the requirements as established by the U.S. Department of Education. All students are provided with this policy prior to enrollment and is applied consistently to all students enrolled in a specific program and scheduled for a particular category of attendance (part-time/full-time).

The training will include attendance, dependability, professional image, professional communication, organizational and practical skills as well as conduct and technical service-related skill evaluations. Student training is measured and communicated by:

1. Attendance
 2. Academic Grades
- A.** Satisfactory Academic Progress (SAP) is a requirement for all students enrolled. All students must maintain an academic grade percentage (qualitative) of 70% and average cumulative (quantitative) attendance of 70% to be considered making SAP and to complete the scheduled course within the maximum time frame. ***The school's academic year is defined as Cosmetology Operator 27 credits, Esthetics 20 credits, Texas Manicurist License 16 credits, Texas Lash License 9 credits.***

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress on ACTUAL credits as follows:

PROGRAM	EVALUATION PERIOD	LENGTH OF PROGRAM
Cosmetology	13.5 credits	27 credits
Esthetics	10 credits	20 credits
Manicurist	8 credits	16 credits
Texas lash license	4.5 credits	9 credits

B. The maximum time a student has to complete is 143% of the course length. All minimum course lengths are determined by TDLR or NACCAS. Students who exceed maximum time frame can continue enrollment on a cash pay basis. Students not able to complete on a cash pay basis after exceeding maximum time frame will be terminated from their respective program.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 143% of the course length) allowed for students to complete each course at Satisfactory Academic Progress is stated below: 37.5 hours =1 Credit

PROGRAM	STATUS	CREDITS PER WEEK	PROGRAM Credits/MTM	WEEKS /MTM	SCHEDULED Credits
Cosmetology	Day Class	0.90	27/38.6	31/44	27

Manicurist	Night Class	0.937	16/22.9	17/24.3	16
Texas lash license	Day Class	0.90	9/13	10/14.3	9
Texas lash license	Night Class	0.90	9/13	10/14.3	9

TRANSFER STUDENTS:

The maximum credit hours allowed for transfer to our school from other schools is as follows:

Cosmetology- up to 13.5 credits or 500 hours

Esthetics- up to 10 credits or 375 hours,

Manicurist- up to 8 credits or 300 hours,

Texas lash license- No hours or credits.

Evaluations will determine if the student has met the minimum requirements for SAP. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the program.

C. Students will be sent a Satisfactory Academic Progress Report upon reaching each evaluation period. SAP will be evaluated at the conclusion of each evaluation period and must be completed within seven (7) school business days of the established evaluation points. Students who are not meeting SAP requirements must sign their report in a timely manner. A copy of each SAP report will be kept in the student's file and additional copies of a student's SAP report is available to each student upon request.

D. A student's academic grade percentage is determined by:

- a) Theory exams
- b) Practical exams
- c) Practice/technical activities

GRADE	DEFINITION	PERCENTAGE
A	Excellent	90%-100%
B	Very Good	80%-89%
C	Passing	70%-79%
D	Unsatisfactory – Failing	60%-69%
F	Failing	Less than 60%

If applicable, for a school participating in Title IV, HEA programs, a student's successful course completion percentage is based on the number of successfully completed credit hours (those with a grade of 70% or higher or as otherwise defined by the institution divided by the cumulative number of credit hours attempted by the student at that time.

Students meeting the minimum requirements for academics 70% and attendance 70% are considered to be making satisfactory academic progress until the next scheduled evaluation.

Students deemed not maintaining SAP may have their Title IV funding interrupted (if applicable) unless the student is on warning. The school may allow for an initial status of satisfactory academic progress warning for the students who are not considered meeting minimum standards for academic progress.

- E. Attendance is evaluated on a cumulative basis. At each evaluation point, the attendance for the period will be added to the attendance from the preceding periods to determine whether the student will complete the course within the maximum time frame established in this policy. Total credits earned beginning the first day of course commencement and ending the last day of the completed period (phase) divided into the student's scheduled hours beginning the first day of their respective program and ending the last day of the completed period (phase).
 Student's actual credits attended + scheduled credits = cumulative % of attendance.

A student will be placed on **warning but** considered to be making SAP during the warning period if the student's attendance falls below 70% or their academics fall below 70%. The student will be advised in writing on the actions required to meet SAP requirements by the next evaluation. If at the end of the warning period, the student has still not met the attendance and academic requirements, he/she will be dismissed from the program.

- F. In the event the student **withdraws or other official interruption**, the student, upon returning to school, maintains the status as of the time of departure. If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. **Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation.** Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.
- G. **Withdrawals and incompletes** have no effect upon the school's qualitative SAP standard. All hours attempted within a progress report period are used in assessing if the student meets quantitative SAP standard, Academy of Cosmetology does not allow students to repeat courses and does not offer remedial or English as a Second Language (ESL) courses.

H. Regarding SAP, a student's ***transfer hours*** accepted by the school will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted credit hours at the school

- I. Probation:** Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress during the probationary period if the student appeals the decision and prevails upon appeal. Additionally, only students who have the ability to meet the SAP Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making SAP. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.
- J. Appeal Process:** If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include the death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the students' situation that will allow them to achieve satisfactory academic progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and be reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.
- K. Non-Credit, Remedial Courses, Repetitions:** Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.
- L. Re-establishing Eligibility:** Students who withdraw prior to completion of the course and wish to re-enroll will return to the same SAP status as at the time of withdrawal. The student whose financial aid has been terminated for unsatisfactory progress will not be paid any additional financial aid until she/he has completed the hours previously paid for with a 100% academic grade percentage and will be able to complete the program within the maximum time frame.

ACADEMIC DISHONESTY / CHEATING

If a student chooses to take these items home, if permitted, it is the student's responsibility to bring them back to school. Students who do not come to school with their equipment will not be allowed to attend until they bring their equipment.

STUDENT CONCERNS / COMPLAINTS & GRIEVANCE POLICY

Students are always encouraged to communicate their concerns to members of the faculty and administration. Suggestions, concerns, or complaints should be registered privately, never with fellow students or clients. If a situation arises in which a student has a complaint or grievance regarding grades, instruction or other topics related to their course of study, the following procedure is in effect.

1. Schedule an appointment to discuss the matter informally with your instructor. If at this contact the matter is not resolved, the student should:
 - i. Make an appointment to discuss the matter informally with the school Director or designee. If not resolved at this level, the student may:

The minutes of the meeting and any agreed upon resolution will be documented on the Student Complaint Form and communicated to the student.
 - iii. If not resolved, the official school designee shall forward the Student Complaint Form to the School Owner or other official designee at this level for review. The ruling at this level will be documented on the Student Complaint Form and communicated to the student. The decision at this level is the final decision.
 - iv. If the matter is not resolved to the student's satisfaction, the student may submit to the program State Board and/or NACCAS only after the student has exhausted the institutions' internal complaint process.

PAYMENT AGREEMENT

All student payments are the responsibility of the student and are payable as stated on the student's enrollment agreement. Students may be required to make monthly payments while attending school. Payment amounts are based upon the course in which the student is enrolled. LEAVE OF ABSENCE POLICY

Academy of Cosmetology encourages students to make steady progress toward completing their program. Thus, a leave of absence may be granted only under the following circumstances.

1. Care for the student's spouse, partner, child, parent, or grandparent who has a serious health condition.
2. Due to the student's own illness, injury, or serious health condition that prevents him/her from being able to continue with his/her education.
3. Death of an immediate family member
4. Enrolled students who are members of the military and receive official military orders.
5. Personal reasons

A Leave of Absence (LOA) will require a student's contracted graduation to be revised based on the terms of the LOA. A LOA will extend the student's contract period and maximum time frame by the same number of calendar days as the LOA. All students, when placed on a LOA, will return with the same academic and attendance status as when they began their LOA. All students who are granted an approved LOA are considered to remain in an in-school status and are not considered to have withdrawn. No refund calculation is required at that time and no additional institutional charges will be assessed to students granted a LOA.

Students with less than thirty (30) calendar days of attendance are not eligible for a LOA. After thirty (30) calendar days, a LOA may be granted for no less than seven (7) consecutive calendar days and may not exceed sixty (60) consecutive calendar days or what is deemed necessary by the student's, student's spouse, partner's, child's, or parent's healthcare provider as applicable with the exception of personal reasons. Students will only be eligible for one (1) LOA for personal reasons within each program of study. The personal LOA may be granted for no less than seven (7) consecutive calendar days and may not exceed fourteen (14) consecutive calendar days. LOA's cannot exceed one hundred eighty (180) **calendar** days in a twelve (12) month period.

Students contract period will be extended by the same number of calendar days taken in the LOA and that such changes to the contract period must be either changes to the enrollment agreement: initialed by all parties or an addendum to the enrollment agreement if used by the school will be signed by all parties.

Based on the student's academic progress, the school may require the student to return when the curriculum is at or near the same point of education as when the LOA began. With student's written approval, this may extend the LOA beyond the time frame requested by the student to ensure quality education. Students are encouraged to request the least amount of time needed due to the likelihood of the LOA being extended to ensure quality education and maximum allowable time frame for LOA's.

A LOA may only be granted where there is a reasonable expectation that the student will return from the LOA. Additionally, the school makes no guarantee a LOA request will be approved. A LOA should be requested only when truly necessary and is at the student's risk. When a LOA request is unable to be accommodated and a student is obligated to withdraw from his/her respective program, the student is encouraged to apply readmission by following the current Re-entry/Readmission Policy. The student's contract period will be extended by the same number of calendar days taken in the LOA, and that such changes to the contract period will be documented by an addendum to the enrollment agreement and will be signed by all parties before the student can be granted the LOA.

PROCEDURES FOR REQUESTING A LOA

Students requesting a LOA must complete the LOA Request Form, sign, and submit to campus management in advance, detailing the reason for the LOA, the exact period of the LOA, and provide supporting documentation (i.e., note from qualified healthcare provider or adoption certificate/deed, obituary or official military orders documents). When requesting a LOA for medical reasons, the school will not extend a LOA beyond what is requested by a healthcare provider unless it is necessary to ensure quality education. When requesting a LOA for death of an immediate family member, an obituary or another official document must be provided. Please note the start of a LOA must be on a day school is open and the student is normally scheduled.

The LOA Request Form and supporting documentation (if applicable) should be submitted within twenty-four (24) hours of the requested LOA start date. In the event of unforeseen circumstances preventing the student from submitting the requested LOA within twenty-four (24) hours, the complete paperwork should be submitted as soon as possible. However, students must be mindful of the attendance policy as any student absent for fourteen (14) consecutive calendar days may be withdrawn from his/her program. The approved LOA start date will be determined by the school to be the first scheduled date the student was unable to attend school because of the qualifying incident. Any student that is unable to request a LOA due to unforeseeable circumstances prior to being terminated for being absent fourteen (14) consecutive calendar days is encouraged to follow the current Withdrawal Appeal and or Re-entry/Readmission Policy.

The designated department or school official will review and determine approval or denial for all requests on an individual basis. The LOA Request Form will be returned to the student with a denial or approval. Approved LOA's will contain the student's scheduled return meeting date and time. If the student has been on LOA due to medical reasons, including pregnancy/childbirth, he or she must submit a signed release from a qualified healthcare provider indicating the student is able to return to the school as of or prior to the scheduled return date. Students who fail to provide this release upon return from LOA will not be permitted to attend class and may be counted absent. If the medical release is not provided within 48 hours of the return date the student can be withdrawn from his or her program.

FAILURE TO RETURN FROM A LOA

The school will officially withdraw students who do not return on their scheduled return date. For calculating a potential refund, the withdrawal date will be the student's last date of attendance. For students receiving Title IV loans, the school will report the change in enrollment status to the holder of the loan, which could reduce and/or exhaust the student's grace period.
